

HISTORY

The taking away of the Ashanti kings and their subjects as found in various history Books was a prophecy given to the Israelites by Moses according to the book of Deuteronomy.

Deuteronomy 28:36 "The LORD shall bring thee, and thy king which thou shalt set over thee, unto a nation which neither thou nor thy fathers have known; and there shalt thou serve other gods, wood and stone."

On 11 September 1900 Agyeman Prempeh landed on the Seychelles Islands as a political prisoner of the British Government. Agyeman Prempeh was accompanied to the Seychelles by a captive group of fourteen chiefs, 13 women, 13 children and 12 attendants. In June 1901, another group of 15 chiefs, 2 women and 4 attendants who were all captives from the Asante War of Independence(1900-1901), were sent to join Agyeman Prempeh.

It is recounted that upon his arrival in the Seychelles, Anglican and Roman Catholic priests rushed to convert him and he is said to have asked them:

"What religion is the King of England?" Immediately the Anglican clergyman replied he belongs to my Church. "Oh", said Prempeh, "I am of opinion that all kings should have the same religion, therefore I accept the Church of England and am willing to attend same".

Our Children were taken from our ancestors and put on ships to be sold into slavery and never to be seen again, as written in prophecy.

Deuteronomy 28:68 "And the LORD shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again; and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you."

"There is much proof, and still much more to be revealed by scholars, that there existed prior to the slave trade and subsequent to it many Jewish tribes, colonies, and kingdoms in West Africa:"

Oral history had it that Ga-Dangmes people migrated first from Israel about 6th Century B.C through Egypt, then to Ethiopia, having been expelled or exiled by the Assyrians (Hebrew Biblical Revelations, July 2008). From Ethiopia, they travelled through Southern Sudan and settled for a period of time at Sameh in Niger and then to Ileife in Nigeria. They migrated again in 1100 A.D and settled at Dahome and later, travelled to Huatsi in Togo where they stayed briefly.

The Ga-Dangmes are believed to be descendants of **Dan** and **Gad**, the fifth and seventh sons of Jacob. Gad's fifth son was Eri who later formed a clan known as Erites (Genesis 30:9, Genesis 46:16, Numbers 26:15-19 and Deuteronomy 3:12; Genesis 30:4-8 3:12. The descendant of Eri, son of Gad are believed to have founded the Nri Kingdom around 900 A.D of the South Eastern and parts of the mid-western Igboland in Nigeria with other tribes of Levi, Zebulon, Ephraim and possibly more.

Biblical history strongly lends support to the assertion that the Ga-Dangmes are **Israelites** due to the fact Ga-Dangme names are found throughout the Old Testament. Examples are: Niikoilai (Rev:2, 6, 15); Amasa (2 Samuel 17, 25; 1 Chronicle 33 20-21 Djaani/Janne, 2 Timothy 3: 8; Amon, 2 Chronicle 33: 20-21; Ashale (Asahel), 1 Chronicle 2:16, 2 Samuel 2: 18-19.

Out in rural Ghana, far from any major population centre, a small group of Ghanaians stop work on Shabbat, refrain from eating pork, circumcise their newborn sons and adhere to the laws of ritual purity.

LOCATION OF SEFWI

They've been doing so for generations, but until 1976, they had no idea the traditions related are from the Israelites of the Bible. For the people of Sefwi Wiawso, the practices were merely "the laws of the land" that they and their ancestors have been following since they made Ghana, on Africa's west coast, their home some 200 to 300 years ago. Before that, their oral tradition tells them, they wandered Africa, crossed the Sahara desert and lived for a time in Niger, Mali and Côte d'Ivoire.

Furthermore **Addo** for example, is a (Ghanaian) surname. Notable people with the (Asante, Ga and Akuapim dialect). This African name is also found in the Bible as a name belonging to the Ancestors of the original Israelites.

1 Esdras 6:1 "Now in the second year of the reign of Darius Aggeus and Zacharias the son of **Addo**, the prophets, prophesied unto the Jews in Jewry and Jerusalem in the name of the Lord God of Israel, which was upon them."

The name **ASHANTI** has Hebrew origins, the **"TI"** at the end means race of or people of, **Ashan** was the name of a city located in southern Israel Judah (Joshua 15:42 - 19:7 / 1st chronicles 4:32 - 6:59).

The word **Ashan** in Hebrew means smoke city / burning city. **ASHANTI** means the people of **Ashan** or the people of the smoke city, This was the reference to the city of **Ashan** after the Romans destroyed it in 70 C.E. In a very informative book entitled **HEBREWISM OF WEST AFRICA** By Joseph J Williams. He gives detailed description of the Hebrew customs in many of the west African tribes.

LANGUAGE

Even some Languages of Ghana when analyzed closely, shows how the ancestors of the so called Ghanaian people knew must be the descendants of Jacob.

e.g In the **Akan language** the name for the so called **European is Abrɔfoɔ** which consists of two words **Abrɔ** meaning **wicked** and **foɔ** meaning people resulting wicked people. It is a common known fact, that this world is ruled by this same people just as the Bible says:

Job 9:24 "The earth is given into the hand of the **wicked**: he covereth the faces of the judges thereof; if not, where, and who is he?"

Also contrary to most of the world calling European **"White people"**, the Bible and the Akan language differ from this common mistake and reinforce one another in the reality of **Things**.

- 2. *dec oye aboro*
- 3. *aboro*

TWI TRANSLATION OF RED

NOUN

- 1. *kakoo*
- *ano kakoo | red lips*

In the book of Genesis Esau, the forefather of the Roman Empire and the Europeans is described to have come out a **Red** man.

Genesis 25:25 "And the first came out **red**, all over like an hairy garment; and they called his name Esau."

Another name for the European according to the Akan language is **Broni kakɔ**. The **Broni** coming from **Abrɔ** means **wicked**. The **ni** is singular and means **person** instead of the **foɔ** and **kakɔ** meaning **red** equating to **wicked red person**.

Seeing the language itself existed before the arrival of the first European ships the **Ancestors of the so called Ghanaians seem to have known the Bible already. Because it is your History, YOU ARE THE ISRAELITES OF THE BIBLE.**

THE TRUTH ABOUT GHANAIAANS

ACCORDING TO THE BIBLE MANY GHANAIANS ARE DESCENDANTS OF **"THE BIBLICAL ISRAELITES!"**

YOU ARE ISRAELITES NOT GHANAIAANS. HERE ARE SOME FEW PROOFS:

Despite a large amount of similarities between Ghanaian and biblical Israelite customs, most Ghanaian people have yet to consider that they may be Israelites as stated in the book of Isaiah.

Isaiah 1:3 "The ox knoweth his owner, and the ass his masters crib: **but Israel doth not know, my people doth not consider."**

CUSTOMS

Before the first Portuguese arrived in the "Gold Coast" around 1471, The people in that area of the African continent had **customs** of their own that were passed down even till this day. Reflecting on these customs, you find the same customs to the jot in the Bible.

Psalm 78:5-6 "For he established a testimony in Jacob, and appointed a law in Israel, which he commanded our fathers, **that they should make them known to their children:** That the generation to come might know them, **even the children which should be born; who should arise and declare them to their children:"**

These customs include "after birth purification", laws concerning menstruation and sexual contact between married couples as well as circumcision, rules concerning Funerals on the Sabbath and the languages.

Leviticus 12:1-4 "And the LORD spake unto Moses, saying, Speak unto the children of Israel saying, If a woman have conceived seed, and born a man child: then she shall be unclean seven days; according to the days of the separation for her infirmity shall she be unclean."

This Custom of separation between married couples depending on the gender of the born child is kept till today by some Tribes in Ghana. e.g. The Ashanti Tribe. **Also read Leviticus 15:19-29**

In the Ghanaian culture, circumcision is routinely practiced. When a boy is born, he gets circumcised on the eighth day as found in the Bible. This custom has been kept and passed on down since we fled from Israel according to **Luke 21:20-24**

Genesis 17:12-13 "And he that is eight days old shall be circumcised among you, every man child in your generations, he that is born in the house, or bought with money of any stranger, which is not of thy seed.

He that is born in thy house, and he that is bought with thy money, must needs be circumcised: **and my covenant shall be in your flesh for an everlasting covenant."**
